

TURNING AT THE ZONE

As you dash out and turn, ensure your foot (left or right) passes **inline or behind** the marker you are scoring at.

✓ Turn on the 'Ding' **inline or behind** the point marker...

✗ Don't turn too early if you want to score at the zone above

GETTING BACK TO SCORE YOUR POINTS

When making a dash back, ensure your foot (left or right) passes the **Chime Line**. This ensures your points are scored. Then get ready for the next dash and listen for the chime.
