

Legacy Gifting

Are you considering leaving a gift to charity in your will?

Why not pass on your love of Salisbury and of Nature by remembering Broken Bridges Nature Reserve through a gift in your will. You can help keep the magic of this wonderful space alive for future generations to enjoy. After you've looked after your family and friends, you may wish to leave a gift to a charity close to your heart. The donation can be as small or large as you like.

People who leave a gift to charity in their Will get a huge amount of satisfaction knowing that their values and beliefs will be passed on to future generations.

We are a registered charity that raised the funding to buy 34 acres of badly neglected farmland in the heart of Salisbury that is crossed by a Public Right of Way linking Harnham and Lower Bemerton. We are working to restore biodiversity and to improve access to nature on the doorstep of everyone in the City, with all the benefits that brings to mental health for people of all ages.

A donation in your will to Broken Bridges will help to keep this land as a haven for wildlife and people in perpetuity and to restore its beauty. Broken Bridges Nature Reserve CIO is a registered charity, at Windover House, St Ann Street, Salisbury, SP12DR. Our registered charity number is 1213230.

A gift to Broken Bridges Nature Reserve is free from inheritance tax and if you leave 10% of your net estate to the charity then the amount of inheritance tax you pay reduces from 40% to 36%. It is worth noting that a gift to a charity like us is free from inheritance tax.
