

Hi, my name is Alain Gingras. My wife Sherri and I have owned a home in Lake Fairways since September of 2022. We are here in the community 9 months out of the year and go up north the other 3 months as we still have ties in Ohio, but we keep close contact with the community here while we are gone. I have been retired since 2021 from the construction industry mainly in heating/air and specializing on the geothermal side and an excavation division for the last 30 years, growing a business of up to 5000 geothermal customers and suppliers. I have been with the CERT team since 2023 and now am in the position of the team leader since March of 2025. I have been heading several classes & seminars in collaboration with NFMFD & LSCO for the community, as well as multiple events with other clubs. November 2025 I was elected to sit on the HOA board to replace one of the directors and am also a member of the Men's club. Prior to moving to Lake Fairways, we had a condo in Fort Lauderdale which I served on the HOA board that had 792 condo units in 11 buildings and 5 pools on the property for several months until we moved here. I feel that I could be a good asset to the community by serving on the board. I hope I can earn your vote to continue helping to make this community a great place to live.
