

• **Golf: the art of playing fetch with yourself**

Welcome back to a new year of league play, ladies!
We had 31 members as of mid December, 2025. We invite ladies of all abilities to join us in this challenging sport.

The November shootout had many spectators cheering for ten focused competitors. Congratulations to first place winner Karen Pierce. Second was Lisa Bell, and third was Annie Souza. There were also two "unofficial" shootouts in September and October, won by Freda Bennett and Karen Pierce. Our next shootout is January 22 on the front nine.

Christmas celebrations included scramble games on the course and then a festive lunch. We enjoyed having several 9-hole golfers come to play. It was also a pleasure to have several retired golf members come for lunch. Many thanks to Linda Tribble and her committee for organizing a special day of fellowship, prizes, and refreshments. The strawberry shortcake was excellent, by the way!

Our Rally for the Cause will take place on Sunday, January 25. Annie and her committee will be keeping us informed with regard to how we can participate in this special charity fundraiser, which is to be for cancer.
