

## Lake Fairways HOA Board Elections Bio

Hi, my name is Judy Ann Carson. I am HOA secretary currently and for the past 5 years. I will be running for one of the three (3) open HOA Board positions.

I have been very active in our Lake Fairways community since my arrival in 2014. I also am past president of the Lake Fairways Women's Club, and current member of the CERT team. As an HOA representative, I have represented the members of our community in many ways. In addition to regularly arising community issues, I have also liaised with the Sheriff's Department and taken on multiple significant issues with ELS. I love our community and the accomplishments we have made. The HOA has made significant progress during my five years on the board. Recent improvements include wifi in the club house, a new stereo system, updated Bingo and Karaoke equipment, and cleanup after Ian and the tornado. I hope with your help we continue moving forward on our goals such as keeping ELS management honoring the prospectus, ensuring future state legislation (e.g. property tax changes) is beneficially applied to us, and keeping our community safe and beautiful.

I am originally from Michigan — "Go Blue" — and retired here in 2014. I have three married sons, three awesome grandchildren & one adorable great granddaughter, as well as my puppy Duff. I retired after 45 years in healthcare. I worked at the Detroit Medical Center and Oakwood Beaumont Health System as an RN. My passion and expertise were Intensive Care and the Operating Room. Those experiences helped me to develop organizational skills as well as an empathetic approach to management to bring to my community & HOA board. Lake Fairways is a great community, and I absolutely want to see it thrive.

Thank you in advance for your support.

Respectfully,

Judy Ann Carson
