

LEFT RIGHT CENTER

Have you ever played 'Left, Right, Center' ?

Folks meet at the Lake Fairways Clubhouse Monday nights at 6PM.

It's a cool dice game that we play for 25¢ a hand.

- Roll the three dice on your turn.
 - For each "L" rolled, pass one chip to the left.
 - For each "R" rolled, pass one chip to the right.
- For each "C" rolled, place one chip in the center (out of play).
 - No action is taken for dots rolled.

Winning: The last player with chips remaining wins the game.
