

Ladies 18 Hole Golf League Golf Gab by Kellie Bilton ♥ HAPPY VALENTINES DAY!!! Take your sweetheart out golfing today.

Fun Facts: the first golf courses in Scotland were village greens and cattle pastures. The first golf balls were made of leather stuffed with feathers.

We started the New Year with a cool stretch of weather. A few delays in starting times but nothing that our Ladies aren't afraid of. Simply layer up, have a blanket in the cart; possibly some hot chocolate birdie juice and we are good to go.

December shootout winners: 1st Judy Chase, 2nd Shirley Beaton, 3<sup>rd</sup> Kathy Russell.

December 13, 2024 was a lucky day to our own Cathy Burns. She got a hole-in-one on #4 at LF. Congratulations Cathy.

At the General Meeting Dan spoke about the USGA GHIN (Global Handicap Index Network) we will be switching to next season. It will members \$20 annually, that enables our golf club to be “rated” by USGA free (instead of costing \$5000 for LF & PL). Members concerned about the cost Dan indicated he feels Golf Net will end.

Thank you to Andrea for being my eyes and ears this month. I am presently “chilling” in Ontario waiting for a new Grand baby 🤔🤔 due end of January.

Have fun ladies and I can’t wait to get back golfing 🏌️ !!!!
