

LF Men looking forward to a great 2024 Summer.

The Men's Club teamed up with the Women on Mar 23rd for a wonderful Fashion show, the Gift's lead by Karen were amazing, thank you to everyone who donated their time and gifts for the baskets. As well the decorations lead by Mary Jo and her team made the Clubhouse transform into the most beautiful runway. On the runway, all the models were amazing and glamorous. Even the sister's combo of John, Bob, and Steve were one of the biggest hits ever in the fashion world. Just want to thank everyone for all the hard work, the lengths that you go through for the community is amazing and appreciated. We had so many so what a wonderful time they had.

Even with the huge event like the fashion show going on at night, the Men show their depth of talent and volunteers with doing the Pancake breakfast the 24Mar in the morning and serving many of our early risers for breakfast. This not only gives the Saturday morning Coffee crew a break, but many love to be seated and served for a meal that is very inexpensive and it raises funds to go back to the community.

As I write this, we just finished another successful Pool side lunch 14Apr. Serving over 100 at a totally pack pool area by the end of the service. I love the way the community comes together. This was our first with the brand new grill the Men's club purchased, and it is turning out to be a nice addition to some of the recent purchases for the Community.

As we close out our last meeting for on 16Apr until next October, we definitely are planning to work together with the HOA and Community Fun to keep up the entertainment during the summer.

As always, all events announced at Saturday Coffee at 9:00am. Look on the grand Marquee board Or follow Facebook for updates as well. Also check all the information on the HOA website [Welcome / Contact #'](http://lakefairwayshoa.com) (lakefairwayshoa.com)

Sincerely Your Board,

John Donahue, Mike McCarthy, John Spada, and Dick Hayes.
