Sad News Report

One of our Canadian brothers, **Bill Beaton** passed away in September. Our collective condolences go out to his wife **Shirley** and we all hope to see her here this winter.

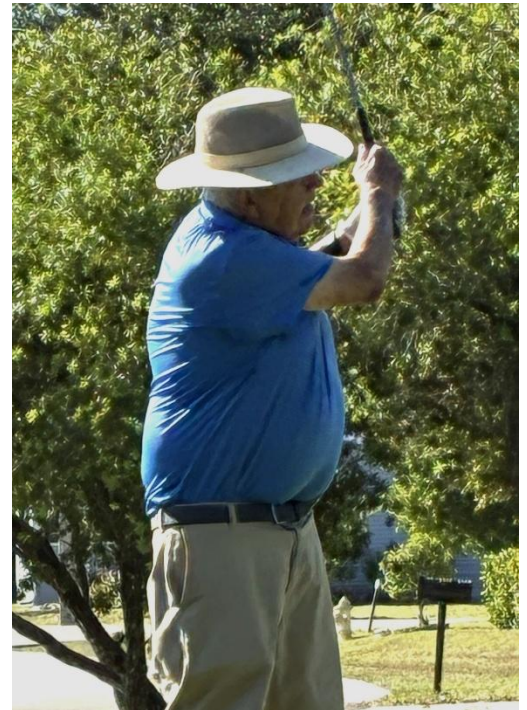

Hole-in-One Report

The only news here is that **Pete Greco's Hole-in-One Gang** did NOT record any aces this month. You're slipping Pete.

Anniversary Note

It was 2 years ago this month that **Al Keefer** had hit a good shot.

** Happy anniversary Al **

September Shootout

Another abbreviated shootout this month started on Hole #15, with 5 guys hoping to grab the last 2 slots in the season ending Grand Shootout.

Hole #15 - New guy, **Dave Jordan**, playing in his first Shootout, was first to take a seat following a chip-off that came up a couple feet short.

Hole #16 had its share of drama when **Larry O'Brien** managed to hack it out of the penalty area and claw his way into a chip-off with **Pete Greco** and **Mike Stubbs**.

Larry's chip was pretty good (for him) but not good enough to earn a spot on the next tee.

Hole #17 was also settled in a chip-off between Dave Leonard and Mike Stubbs who had survived chip-offs on the previous 2 holes.

Two decent chips but Mike's was closest and carried on to the 18th hole with Pete.

Hole #18 was matter of risk reward. Mike Stubbs, knowing that Pete was getting a stroke on this hole, decided to go for the green off the tee. Pete chose the conservative route and was safely on the green in 2 while Mike's

ball wasn't found until the match was over, leaving Pete with 3 putts to win the match and the big prize. Both qualified for the grand shootout.
