

Men's Golf League News, September – 2024

Fake News Reporter - Tad Lague

Hole-In-One Report – It happened on Thursday Men's League, August 6th. We were playing over at Pine Lakes on this day. Lefty, Paul Falcone was having a bad round and wishing he had just stayed in bed. When we got to the 100 yard 3rd hole, Paul pulled out a pitching wedge and caught it flush. The ball sailed very high and never left the flag, then landed about 1 foot past the hole, hopped back and hung on the edge of the cup for a couple of seconds before falling in. This was Paul's 2nd lifetime hole-in-one and he did buy a bucket of beer for the regulars at the Sand Trap.

Well, it happened again. Yours truly got another hole-in-one. The 2nd one in 6 weeks. This time it was at Burnt Store Marina on the Pelican Course hole #5. It was exactly 100 yards with a gap wedge. We were playing a 2-man scramble and my partner was John Murray. The 4-some was rounded out by Mike Williams and Ron McManus. It really wasn't a good shot. I hit it a bit heavy, the ball flight was low and landed on the front of the green, rolled straight the length of the green and dropped in the cup. This was my 3rd lifetime hole-in-one.

Lake Fairways course is looking about as good as it ever has thanks to our very capable superintendent, Scotty Helmig. We're just coming off of a 2nd aeration procedure for the summer. We now have a fringe cut in around the

greens. The fairways have been well defined with the rough growing a little longer than we're used to, so keep an eye on your ball when it heads toward the rough.
