Hole-in-One Report

Pete Greco's Hole-in-One Gang strikes again and helps another first-timer find the bottom of the cup with a single swipe. This time it was **Bill Hilt** who got his first lifetime ace on the Lake Fairways 9th hole which happens to be a par 4, making the event even more special.

Pete, who takes charter groups out every afternoon hunting for holes-in-one, was joined in the 4-some by **John Grab** and **Jim Heidel**. Bill used his driver on the 9th tee, saw the ball roll up the front slope, wind its way to a back pin, and then disappeared at the flag. Congratulations Bill!

August Shootout

With another last-minute cancellation, the August Shootout was whittled down to 7 guys, so it all started on hole #4.

Will Aubut, who had all night to think about his first shot, opened the event on the 4th tee by topping one into the water in front of the tee box and quickly became the first casualty of the day.

On the 5th hole, new guy, **Mike Stubbs**, without the benefit of any handicap strokes on the day, was unable to get up and down from the bunker and became our 2nd casualty.

Hole # 6 proved to be **Larry O'Brien's** undoing as he chopped his way up the fairway and barely missed an 8-foot putt that would have forced a chip off.

Hole #7 was settled by way of a chip-off where **John Grab**, who had been playing well until now saved his worst (and that's being kind) for this key moment and could not get inside Fred's or Pete's chips.

On the 8th Hole, Fred shot a 3 net 2 and Mike had a 4 net 3 while **Pete Greco** was not getting a stroke when he needed one the most for any hopes of advancing to the last hole. Thanks Pete.

On Hole #9, our 2 finalists, **Mike Williams** and **Fred Dissmeyer**, had great tee shots just short of the green and both hit the green in 2 where they 2-putted for pars forcing a chip-off for the title.

Mike chipped first and knew right away that it would not be good enough to beat Fred who had played well all day. Fred's chip got comfortably inside Mike's and was able to collect the winner's check.

Chuck Rhodes and Tad Lague had drawn Fred in Sonny's Shootout pool and walked away with \$20 each. Thanks Fred !

2nd place, Mike Williams, and winner, Fred Dissmeyer will be in the summer-ending Grand Shootout, while 3rd place, Pete Greco will have one more opportunity to qualify in September.

Good job fellas.
