

## **Lakes Fairways Veterans Day Ceremony 2023**

For December,

Thank you to all that have served.

Veterans Ceremony Nov 11 was amazing, huge thank you to everyone who helped set-up, provide, and clean-up for the event. It was a complete Lake Fairways team effort on the 11<sup>th</sup>. Ken Howell, Dick Hayes, and Jim Blanchard did an amazing job putting out on the boulevard over 250 flags. The ceremony was powerful, Jim Blanchard testimony of his family's story was so powerful, the stories from Rawson Beals, Bob Autilio, Eddie Flynn, and the others were encouraging to remember who Veterans really are. We honored each veteran with their branch and a gift, we sang together (well at the same time at least), had a few commercials and powerful videos. After the event we were able to share muffins and OJ and some fellowship. Looking forward to doing a better job next year.

Sincerely

John Donahue
