

**We received this notice from the Talent Agency we use and 5:00 Somewhere's agent.**

Dear Lake Fairways Entertainment Committee

I'm writing today with unfortunate news. Five O'Clock Somewhere has been offered a year long cruise opportunity that allows them to bring their infant son with them. They are very regrettably cancelling all of their dates on land. We got the below email yesterday from their manager. I'm so sorry about this – and while I do understand that it was an offer too good to pass up, I'm disappointed that we won't be able to bring them to Lake Fairways next year.

Kelly

*Hi Kelly,*

*I hope all is well with you in Florida.*

*I wanted to let you know that we have had a big change in the schedule for Adam & Tabitha and this is going to have a knock on effect with the current and future potential dates in Florida.*

*Celebrity Cruises have come to them with an offer of residency onboard their ships that will also allow them to travel with their son, Mylo. The residency would be throughout all of 2025 on the ships that are based in Europe, and this would mean that Adam & Tabitha would no longer be based in Florida for the Winter season.*

*They are very apologetic for all the inconvenience this will cause. This has come out of the blue and was not expected and they hope you will understand that an offer like this that includes them being together as a family is something they unfortunately cannot turn down.*

*They both want to thank you and Gerry for all the support you have shown them and for the opportunity to perform on the showcases. They were very much looking forward to performing their show in Florida.*

*Please would you cancel all dates you have confirmed or arranged for them.*

*All our apologies again.*

*Thanks*

*Gary*
