

Wow! Just Wow!

Our annual Lake Fairways Quilters and Crafters Display and Exhibit drew over 150 visitors on March 22nd. We were thrilled by their enthusiasm for our works. And we were so happy to share our work with them.

The 18 members of the group are Cindy Asaro, Freda Bennett, Linda Brown, Louise Files, Barb Grabowski, Michelle Gregg, Sandi Keefer, Julie Loomer, Millie McCarthy, Juanita Ridenour, Pam Sangar, Judy Stewart, Lynn Suhr, Sue Sullivan, Pam Wagner, and Mary Woycik.

Everyone worked very hard all year long to be able to display over 100 pieces of handwork and quilts.

Additionally, we held a raffle for a quilt, crocheted blanket, and greeting cards. The grand prize winner, Roseanne Chadwick, was present at the drawing and was moved to tears by winning the beautiful quilt. And your generosity in buying tickets will help us with our charity work in the future.

We are already planning on how to make next year's exhibit even better. Our show will once again be on a Tuesday on March 26, 2024. Put that date into your phone's calendar right now!

We are currently making "Fidget Quilts." These are quilted lap pads that have textured items attached atop that are used by Alzheimer patients. We have learned that they like to repeatedly touch items which stimulate their senses. Some items we are using on the pads are beads, buttons, laces, furs, bells, keys, zippers, scrunchy bags, etc. We will be delivering these to Brookdale Senior Living on Santa Barbara.

Our group meets every Tuesday in the clubhouse from 12-3. All are welcome to join us!
