The Pub will be closed a lot longer due to the damage.*

**December** comes from the word decem, “ten,” because this had been the tenth month of the early Roman calendar. (Note: Although it’s our 12th month, it never was changed.)

### “We Wish You A Merry Christmas”

We wish you a Merry Christmas;  
We wish you a Merry Christmas;  
We wish you a Merry Christmas and a Happy New Year.  
Good tidings we bring to you and your kin;  
Good tidings for Christmas and a Happy New Year.

Oh, bring us a figgy pudding;  
Oh, bring us a figgy pudding;  
Oh, bring us a figgy pudding and a cup of good cheer. Refrain

We won’t go until we get some;  
We won’t go until we get some;  
We won’t go until we get some, so bring some out here. Refrain

We wish you a Merry Christmas;  
We wish you a Merry Christmas;  
We wish you a Merry Christmas and a Happy New Year.

### What does ‘Auld Lang Syne’ mean?

The most accurate plain English interpretation of the Auld Lang Syne’s famous title is ‘Old long since’, or ‘For the sake of old times’.

The song itself is reflective in nature, and is basically about two friends catching up over a drink or two, their friendship having been long and occasionally distant.

The words were written by Scottish poet Robert Burns in 1788, but Burns himself revealed at the time of composing it that he had collected the words after listening to the verse of an old man on his travels, claiming that his version of ‘Auld Lang Syne’ marked the first time it had been formally written down.

However, an earlier ballad by James Watson, named ‘Old Long Syne’, dates as far back as 1711, and use of the title phrase can be found in poems from as early as the 17th century, specifically works by Robert Ayton and Allan Ramsay.
