

Do you have what it takes to be a HOA board member?

Do you like to help solve issues? Do you want to make our community strong? Then, be the person that steps up to run for the HOA board. You must be a member of the HOA to run. The HOA board does good things and works hand in hand with ELS Management. We try hard to make this community better. Elections are in February 2026. If

you would like to be on the HOA board, submit a bio along with your picture to a HOA member by December, so we can put it in the January Informer and tell us why the community should vote for you.

The terms that are up as of March 1, 2026, are: Diana Ferrucci, Scott Archer and Judy Carson. Only YOU can make a difference.
