

Good afternoon everyone. I would like to take this opportunity to advise everyone that we will be closing the Friendship Bridge (**Main Bridge that connects from Pine Lakes to Lake Fairways**) on **Monday April 19, 2021 to Thursday April 22, 2021** to address the following items:

- Power washing Bridge to prepare for waterproofing and sealing
- Removal of old outdated lighting and Installation of new LED lighting for the bridge
- Installation of rubberized matting

We ask that you do not utilize the bridge for these days as we complete these items.

Thank you in advance for your cooperation.

Jeffrey C. Belle
