Showing the Love:

Since this is the February edition, this author thought it be appropriate to “show the love”of golf and friends. On January 4th our league again played with the ladies from Pine Lakes. There were 58 players that day and each team was composed of members from both leagues. We played a Red, White and Blue Shamble, but most importantly we enhanced new and already developed friendships. One member said to me, “I love this idea and hope we never stop doing this”. Now that’s love.... of golf and friends.... See the pics below and identify who you met because of this event.

Making the game a little more enjoyable, Dave Leonard our Pro, let each team determine if he should drive off the tee on hole #18 for them. Of course, after each player’s drive attempt, I believe each team chose his ball during this shamble. When my team got there, when asked, he proudly noted that of 8 drives, he got 7 on the green before we had arrived. Thanks, Dave, for making this challenging hole just a bit easier for many teams to not only make par, but even get birdies.

January Shoot Out: This month more than 10 players entered the shoot out competition and we even had 3 alternates qualify before the competition occurred. This is a testament to our growing membership since the holidays. The shoot out was held on January 19th and there were more than 40 persons in attendance to cheer on our players. As always it was competitive and fun. On hole one, 5 players ended up in the left side ditch and yet, recovery was evident. There were 4 Chip Offs on holes # 2, 3, 6 and 8. Our winners were: Judy Chase #1; Laura Broad #2 and Freda Bennett #3
