

# ONLINE SHOPPING CYBER SAFETY GUIDELINES

1

## ONLINE REVIEWS

Read online reviews of the product.

## CHECK THE SELLER

Look at the information of the seller e.g. company information, seller name etc.

2

## USE CREDIT CARDS

Use credit card as a method of payment.

3

## PRIORITIZE GUEST ACCOUNT

Prioritize guest account over creating an account unless you will be shopping there regularly.

4

## BEWARE OF SUSPICIOUS LINKS

Be on a lookout for suspicious and scam links.

5

## DONT SHOP USING PUBLIC WIFI

Don't shop using public WIFI, and always prefer websites using HTTPS.

6

## USE STRONG PASSWORDS

When creating an account, always use strong passwords and multifactor authentication.

7
