

Social Media Safety

Social Media Safety Usage Guidelines

01

Platform Compliance

Major platforms are governed on many key compliance metrics like age-restricted accounts.

02

2 Step Verification

Enabling multifactor authentication method for login to the account.

03

Digital Footprint Awareness

Beware of your digital footprint, information that you share and your privacy settings on the social media platform.

04

Blocking and Reporting

Block and report the account if you notice any form of illegal activity happening like cyberbullying.

05

Age Limit

Implementing minimum age restrictions can prevent children from social media harms.

06

Setting Time Limit

Setting up time limit on social media usage can help maintain balanced life.

07

Spread Awareness

Spreading awareness about social media best practices and its possible harms will help other users to be cautious in their usage limits.
