2023 IMPACT REPORT

84 Children/Adults Assisted in 2023

Collective Impact

100% of Financial Assistance applicants received monetary assistance, a list of social service resources in their geographic area and the opportunity to connect with someone else who has traveled the CHD journey.

Of these recipients, 82% also received Wellness Resources (connections to therapeutic resources) and 48% were provided with special gifts for siblings of the child with a CHD diagnosis.

228 infants, children, teens, and adults hospitalized in Pennsylvania and Delaware cardiac care units received new, bright, and colorful pillowcases and blankets during our Pillowcase & Blanket Campaign in August 2023.

TESTIMONIAL

"Thank you so much for the financial assistance you provided our family prior to our son's surgery. We are also eternally grateful that you connected us with free airline ticket resources. What a HUGE burden lifted for us"
