# 2024 IMPACT REPORT

*Enhancing the Lives of Those Impacted by Congenital Heart Disease.*

## Collective Impact

### Wellness Assistance

Applicants receive assistance to pay for household expenses, travel/lodging costs, medical/dental bills, meals, groceries, medical equipment, prescriptions, end-of-life celebrations, and self-care activities.

### Resources

Applicants receive a list of other resources in their area that may be of use to them.

### Scholarships

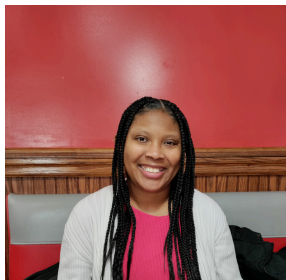

Applicants receive scholarships for college classes, certification programs, trade school fees, or professional training activities.

### Community

Starting in 2025- Monthly online chat sessions for CHD families and adults. Applicants are encouraged to communicate with VCF on a regular basis for updates and to celebrate successes.

### Educate + Advocate= Awareness

VCF will advocate for applicants for additional resources through letters of support and phone calls. The VCF Community works together to increase awareness of the prevalence and impact of CHD.
