

## COMPANY OVERVIEW

Stack Fold & Hold LLC, founded in 2021 by Marlen McKinley, a Service-Disabled Veteran, is based in Ellenwood, Georgia. We specialize in providing high-quality storage, warehousing, and industrial equipment solutions. Our expert team delivers personalized services to optimize inventory management and streamline operations for businesses across various industries. Committed to integrity and customer satisfaction, we offer a wide range of products and consulting services tailored to meet our clients' unique needs.

## CORE COMPETENCIES

- **Industrial Equipment Supply:** Providing a diverse range of high-quality industrial machinery and equipment to support manufacturing and operational needs.
- **Warehousing & Storage Solutions:** Offering customized storage solutions, inventory management, and optimized warehousing services to meet client demands.
- **Logistics & Supply Chain Consulting:** Expert consulting services focused on streamlining logistics, improving efficiency, and reducing costs in supply chain operations.
- **Office & Commercial Equipment:** Supplying office furniture, medical equipment, and other commercial items designed for productivity and operational excellence.
- **Custom Solutions:** Tailoring services and products to meet the specific requirements of each client, ensuring the most effective solutions.

## PAST PERFORMANCE

Stack Fold & Hold LLC is a newer company, we have rapidly built a strong reputation for providing quality solutions that deliver measurable results. Our past performance includes:

- **Warehouse Optimization Projects:** Successfully assisting businesses in streamlining their inventory systems and improving storage efficiency.
- **Equipment Supply to Commercial Clients:** Supplying industrial and office equipment to various sectors, enhancing operational capabilities.
- **Logistics Consulting for Small Businesses:** Helping small businesses optimize their logistics operations, resulting in reduced costs and improved delivery timelines.

Our commitment to excellence and attention to detail ensures that every project, no matter the size, is completed to the highest standard.

## DIFFERENTIATOR

- **Veteran Leadership:** Led by a Service-Disabled Veteran, ensuring a commitment to excellence and integrity.
- **Comprehensive Product Range:** Extensive inventory covering industrial, office, and commercial equipment needs.
- **Customer-Centric Approach:** Dedicated to providing personalized service and tailored solutions to meet client requirements.

**Industry Expertise:** Deep understanding of industry standards and best practices, ensuring quality and compliance.

## MISSION

Our mission at Stack Fold & Hold LLC is to provide high-quality, reliable storage, warehousing, and industrial equipment solutions. We are committed to delivering personalized services that meet the unique needs of each client, ensuring operational efficiency and customer satisfaction.

## VISION

Our vision is to become the leading provider of innovative storage and logistics solutions, recognized for our commitment to excellence, integrity, and the success of our clients. We aim to continuously enhance our services, ensuring that businesses thrive through optimized inventory and operational management.
