The moral rights of the author and illustrator have been asserted.

This is a work of fiction. Space and time have been rearranged to suit the convenience of the book, and with the exception of public figures, any resemblance to persons living or dead is coincidental. This novel's story and characters are fictitious. Certain long-standing institutions, agencies, and public offices are mentioned, but the characters involved are wholly imaginary.

All rights reserved. No part of this book may be reproduced in any form or by an electronic or mechanical means, including information storage and retrieval systems, without permission in writing from the publisher, except by a reviewer who may quote brief passages in a review.

A catalogue record for this book is available from the National Library of Australia.
