History of Old Orchard Beach

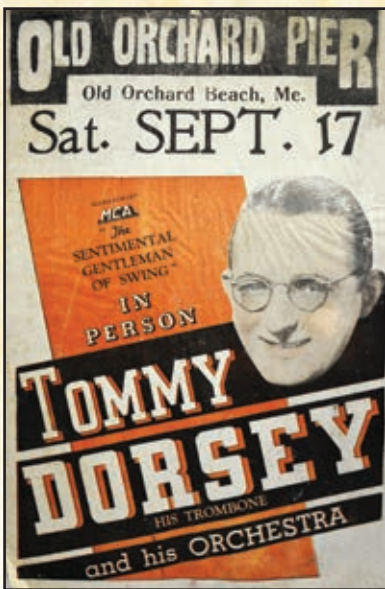

The Big Band Era

The country was worn and weary from the devastating weight of the Great Depression and two World Wars. Our victorious soldiers were returning home, and the mood was right for big celebrations with energetic music in grand ballrooms. Swing was the thing and folks up for “cutting a rug” sought the right music to jitterbug, foxtrot, jive or waltz. The Big Band Era helped buoy the national morale.

Old Orchard Beach was a premier stop on most major acts’ road tour itineraries, drawing eager audiences from throughout New England and even Canada. The Beach’s two elegant venues, the Pier Casino Ballroom and the Palace Ballroom hosted performances by the colossal talents of Louis Armstrong, Duke Ellington, Cab Calloway, Guy Lombardo, Rudy Vallee, Jimmy & Tommy Dorsey, Frances Langford, Lawrence Welk, to name a few. In addition to the nationally renowned bands, Old Orchard Beach native son and trumpeter John Trull led the Palace Ballroom house band, the Lee Russell Orchestra.

This summer 2017, the Old Orchard Beach Historical Society will launch its Big Band Era exhibit at the Harmon Museum, highlighting the historic role Old Orchard Beach played. The Museum is located at 4 Portland Avenue, Old Orchard Beach. For more information, visit their website at www.harmonmuseum.org or call (207) 934-9319.

"It was a big event to take the train from Portland to Old Orchard for an evening of music and dancing at the Pier Ballroom. My most vivid memory is the sparkling mirror ball that hung over the middle of the dance floor. It lit up the room and created a very romantic atmosphere for slow dancing." - Joanne, age 83, Portland, Maine

"Every morning there were free dance lessons at the Pier Ballroom. I remember seeing Duke Ellington, Cab Calloway and Louis Armstrong perform there. The Canadian tourists flocked to Old Orchard to see the big bands like Guy Lombardo and His Royal Canadians. We were known as the "Playground of Two Nations." The Pier was THE place to be on a hot summer night." - Jerry, age 82, Old Orchard Beach

Community Giving

Celebrating Generosity & Volunteerism in Old Orchard Beach

Old Orchard Beach has a long history of using its beautiful natural resources to help raise money for many charities. The town is also blessed with incredible people that volunteer their time to make the many annual fund raising events happen.

The Old Orchard Beach Chamber of Commerce would like to offer a sincere and heartfelt *THANK YOU*, to the hundreds of volunteers and donors who have given time, expertise and money to the following charitable causes:

Annual Lobster Dip raised \$123,000 in 2016 for Maine Special Olympics.

Annual O.O.B. Chamber Golf Tournament donated hundreds of dollars to local food pantries in 2016.

Annual Captain Christopher S. Cash Memorial 5K Walk and Run proceeds go to annual scholarships for O.O.B. High School & Thornton Academy graduates.

Annual Beach Olympics sponsored by O.O.B. Chamber of Commerce and Saco & Biddeford Savings Bank, raised \$16,000 for Maine Special Olympics in 2016.

New England Parkinson's Ride generated over \$682,000 for Parkinson's research.

- **Annual Car Show** generated over \$4,200 for the Old Orchard Beach Volunteer Fire Department's community outreach programs.

- **Celebration By The Sea** is a complimentary community event sponsored by O.O.B. Chamber of Commerce and Saco & Biddeford Savings Bank .

- **Veterans Memorial Park Evening Flag Raising** holds daily ceremonies from Memorial Day until early fall recognizing military personnel.

- **Annual Breakaway 5K Race and Marilyn & Nat Golzbein Fun Run** generates self perpetuating funds for scholarships for Thornton Academy and Old Orchard Beach High School seniors.

It is important to mention that none of these events could take place without the cooperation, planning and support of the Police and Fire Departments, volunteer firemen, Public Works, Parks and Recreation, Town Council members, Town Hall employees, lifeguards and the many committed townspeople and businesses.

Eastern Trail

First begun in South Portland in the mid-1980's, the ET has grown in purpose and compass to include twelve southern Maine towns from Casco Bay to Kittery. Using the historic Eastern Railroad corridor, it will ultimately be an almost entirely off-road greenway of 60+ miles, a significant part of Maine's statewide transportation/recreational network, and a nationally lauded segment of the 3000-mile East Coast Greenway, which connects Calais, Maine and Key West, Florida. Experienced bike riders and hikers can enjoy a beautiful journey from South Portland's Bug Light Park on Casco Bay (near Portland) to Kittery's Piscataqua River. • easterntail.org

Visit Ocean Park

Founded in 1881, the unique seaside Chautauqua community of Ocean Park, Maine still flourishes as a summer assembly—in the Chautauqua tradition—with 135 years of history and heritage.

Each summer lectures, workshops, family programs, and opportunities for spiritual growth and renewal are offered in a non-denominational, interfaith setting.

Central to that tradition are the architecturally important Temple, the Temple Garden, and the Pergola—spaces for quiet reflection or meditation. At the end of your stay, you will go home feeling just a bit more content and looking forward to your next Ocean Park visit.

Central to all the Ocean Park Association properties are the wonderful activities that take place there. The program offerings are so diverse. Every day of the week there

Dining

Something for Every Taste...

Although Maine lobster reigns on most menus, it doesn't stand alone. Casual dining options are always within reach and the choices are endless. There are also the options of dining on the beach, sitting outside at a picturesque spot at sunset, or the more formal sit-down meals in chef-owned restaurants showcasing creative and unique cuisine. And don't forget our favorite breakfast spots, or our brew pubs, sporting the latest in local micro-brews and the ever-popular hard ciders.

Lifeguard Beach Safety Tips

Our Beach

Old Orchard Beach is a naturally safe beach. Add to that an alert, experienced, lifeguard crew and you have the makings of a great place for families and children to enjoy this incredible natural resource. There are a few situations, however, where knowing what safety precautions to follow can help prevent problems:

Rip Currents: Storms may cause larger than normal waves which can result in a rip current. Rip currents are narrow, strong currents flowing out from the beach through the surf zone, sometimes carrying bathers over their heads. If you aren't sure if rip currents are happening, check with your lifeguard. If you're caught in a rip current, don't panic, go with the flow and swim parallel with the beach. Once you're released swim back to shore.

Cave In: Digging deep holes above the high tide mark can be very dangerous as the sand has a tendency to collapse and is very heavy. It's best not to dig too deeply.

Lost Children: The beach can be very wide at low tide. Please supervise your children if they are playing near the low tide mark. Each year over 100 children are separated from their parents, creating frightening moments while lifeguards are helping reunite lost children.

Offshore Winds: Using rafts with an offshore wind can make it difficult to return to shore. Always make sure you can paddle back to shore.
