The Competition

The competition will consist of 36 holes played on two consecutive Mondays at Smoky Mountain and Junaluska on **August 17 and 24**, respectively. **Players must complete all 36 holes to be eligible for prizes.**

Players must register with the Coordinator by 45 minutes prior to the first scheduled tee time of the day. Players' names will be placed on carts to facilitate registration. Greens Fees will have been paid by the club. In the event of cancellation for any reason, the Committee will determine the alternate time, date and location, and inform all registered players.

All players must attend a Players' Meeting in the vicinity of the entry to the Pro Shop at 15 minutes prior to the first scheduled tee time for the day.

The first Tee Time shall be **9:00 a.m. on August 17th and 9:00 a.m. on August 24th**. (weather permitting) with others to follow at intervals determined by the Committee.

Play will be Stroke Play following USGA Rules as modified by then current JCGC Local Rules.

Players will choose their preferred set of tees as declared on their entry form and must use those tees for the entire 18 holes selected.

Net Score (net of current playing handicap) champions will be determined with prizes awarded for each.

In the event of a tie for first place for Net or Gross Score, a Scorecard Playoff shall be used to determine the winner. The winner shall be the player with the lowest gross or net score (as appropriate) for the last nine holes, then if still tied, the prior nine holes, and so on. If still tied, then a hole-by-hole low net score Scorecard Playoff will be used beginning with the 36th hole and working backwards.

USGA rules apply with exceptions per JCGC local rules. As indicated on Captain's Instructions, there is a two-stroke penalty for cell phones that interfere with another player's shot.

Player Groups

Group pairings will be determined in advance by the Committee. (Indicate cart partner on Entry Form)

Each group will be assigned a Captain from among the Group by the Committee. Captains will meet at 20 minutes prior to the first scheduled tee time of the day in the vicinity of the entry to the Pro Shop. The captain is responsible for determining the answer to any rules question. The captain is also responsible for enforcing Pace of Play standards, including limiting search time for a ball to **three (3) minutes**.

The drivers of the carts in the Group shall each maintain scorecards for the group. Following completion of the round, the drivers shall total the score for each player and resolve any differences between the scorecards. The drivers must sign the scorecard to be turned in.

Completed scorecards are to be deposited in the JCGC scorecard box located near the green of the last hole of the tournament.

Results of the Tournament and Awards shall be provided by the Committee at the annual meeting and banquet on **September 10th**.
