

Appreciative Inquiry training

Organizations can be thought of as living beings made up of the individuals working within it. Appreciative Inquiry has the ability to change the whole organization by changing the people. Through positive questioning people will be directed to move in a positive direction. Recognizing the strengths and values of what works as opposed to what's wrong will transform the individuals and thus transform the organization.

Appreciative Inquiry is a shift from looking at problems and deficiencies and instead focusing on strengths and successes. It is a tool for organizational change and it will strengthen relationships. Who doesn't like to share good positive stories and events? Think about it.

Workshop Objectives:

- Know the meaning of appreciative inquiry
- Think in positive terms and avoid thinking negatively
- Encourage others to think positively
- Recognize positive attributes in people
- Create positive imagery
- Manage and guide employees in a positive environment

Business Ethics Skills Training

A company's ethics will determine its reputation. Good business ethics are essential for the long-term success of an organization. Implementing an ethical program will foster a successful company culture and increase profitability. Developing a <u>Business Ethics</u> program takes time and effort, but doing so will do more than improve business, it will change lives.

A company's ethics will have an influence on all levels of business. It will influence all who interact with the company including customers, employees, suppliers, competitors, etc. All of these groups will have an effect on the way a company's ethics are developed. It is a two-way street; the influence goes both ways, which makes understanding ethics a very important part of doing business today. Ethics is very important, as news can now spread faster and farther than ever before.

Objectives:

- Define and understand ethics.
- Understand the benefits of ethics.
- Create strategies to implement ethics at work.
- Recognize social and business responsibility.
- Identify ethical and unethical behavior.
- Learn how to make ethical decisions and lead with integrity.

Business Etiquette Training

This course examines the basics, most importantly to be considerate of others, dress/appearance, the workplace versus social situations, business meetings, proper introductions and 'the handshake', conversation skills/small talk, cultural differences affecting international business opportunities, dealing with interruptions, and proper business email and telephone etiquette. Have you ever been in a situation where:

- You met someone important and had no idea what to say or do?
- You spilled soup all over yourself at an important business event?
- You showed up at an important meeting under or overdressed?

Let's face it: we've all had those embarrassing etiquette gaffes. Our Business Etiquette workshop will help your participants look and sound their best no matter what the situation.

Objectives:

- Define etiquette and provide an example of how etiquette can be of value to a company or organization.
- Understand the guidelines on how to make effective introductions.
- Identify the 3 C's of a good impression.
- Understand how to use a business card effectively.
- Identify and practice at least one way to remember names.
- Identify the 3 steps in giving a handshake.
- Enumerate the four levels of conversation and provide an example for each.
- Understand place settings, napkin etiquette and basic table manners.
- Understand the meaning of colors in dressing for success.
- Differentiate among the dressy casual, semi-formal, formal and black tie dress code.

Change Management Training

Change is a constant in many of our lives. All around us, technologies, processes, people, ideas, and methods often change, affecting the way we perform daily tasks and live our lives. Having a smooth transition when change occurs is important in any situation and your participants will gain some valuable skills through this workshop.

The <u>Change Management</u> Training will give any leader tools to implement changes more smoothly and to have those changes better accepted. This workshop will also give all participants an understanding of how change is implemented and some tools for managing their reactions to change.

Objectives:

- List the steps necessary for preparing a change strategy and building support for the change
- Describe the WIFM the individual motivators for change
- Use needed components to develop a change management and communications plans, and to list implementation strategies
- Employ strategies for gathering data, addressing concerns and issues, evaluating options and adapting a change direction
- Utilize methods for leading change project status meetings, celebrating a successful change implementation, and sharing the results and benefits
- Describe the four states of Appreciative Inquiry, its purposes, and sample uses in case studies
- Use strategies for aligning people with a change, appealing to emotions and facts
- Describe the importance of resiliency and flexibility in the context of change.

Civility in the Workplace Training

While a training program on workplace manners and courtesy may seem like overkill, the reality is: rudeness is an epidemic costing industry millions a year. Indeed, what society seems to be gaining in terms of both knowledge and technological advancement, it's losing out on basic social values that directly impact the bottom line.

To address the growing problem of incivility in the work setting, this training introduces the concept of civility, its importance to a company, as well as its typical causes and effects. Skills needed to effectively practice civil behavior, as well as different ways organizations can systematize civility in the workplace will also be discussed. The benefits to <u>Civility In The Workplace</u> are countless and will pay off immensely in every aspect of your job.

Objectives:

- Define civility, understand its causes, and enumerate at least three of its behavioral indicators.
- Understand the costs of incivility, as well as the rewards of civility, within the workplace.
- Learn practical ways of practicing workplace etiquette.
- Learn the basic styles of conflict resolution.
- Learn skills in diagnosing the causes of uncivil behavior.
- Understand the role of forgiveness and conflict resolution.
- Understand the different elements of effective communication.
- Learn facilitative communication skills such as listening and appreciative inquiry.
- Learn specific interventions that can be utilized when there's conflict within the workplace.
- Learn a recommended procedure for systematizing civil behavior within the workplace.

Conflict Resolution Training

Wherever two or more people come together, there is bound to be conflict. This course will give participants a seven-step conflict resolution process that they can use and modify to resolve conflict disputes of any size. Your participants will also be provided a set of skills in solution building and finding common ground.

In the <u>Conflict Resolution</u> training, participants will learn crucial conflict management skills, including dealing with anger and using the Agreement Frame. Dealing with conflict is important for every organization no matter what the size. If it is left unchecked or not resolved it can lead to lost production, absences, attrition, and even law suits.

Objectives:

- Understand what conflict and conflict resolution mean
- Understand all six phases of the conflict resolution process
- Understand the five main styles of conflict resolution
- Be able to adapt the process for all types of conflicts
- Be able to break out parts of the process and use those tools to prevent conflict
- Be able to use basic communication tools, such as the agreement frame and open questions
- Be able to use basic anger and stress management techniques

Customer Service Training

Each and every one of us serves customers, whether we realize it or not. Maybe you're on the front lines of a company, serving the people who buy your products. Perhaps you're an accountant, serving the employees by producing their pay checks and keeping the company running. Or maybe you're a company owner, serving your staff and your customers.

The <u>Customer Service</u> training will look at all types of customers and how we can serve them better and improve ourselves in the process. Your participants will be provided a strong skillset including in-person and over the phone techniques, dealing with difficult customers, and generating return business.

Objectives:

- State what customer service means in relation to all your customers, both internal and external
- Recognize how your attitude affects customer service
- Identify your customers' needs
- Use outstanding customer service to generate return business
- Build good will through in-person customer service
- Provide outstanding customer service over the phone
- Connect with customers through online tools
- Deal with difficult customers

Delivering Constructive Criticism

Delivering Constructive Criticism is one of the most challenging things for anyone. Through this workshop your participants will gain valuable knowledge and skills that will assist them with this challenging task. When an employee commits an action that requires feedback or criticism it needs to be handled in a very specific way.

<u>Constructive Criticism</u> if done correctly will provide great benefits to your organization. It provides the ability for management to nullify problematic behaviors and develop well rounded and productive employees. Constructive feedback shows an employee that management cares about them and will invest time and effort into their careers.

Objectives:

- Understand when feedback should take place
- Learn how to prepare and plan to deliver constructive criticism
- Determine the appropriate atmosphere in which it should take place
- Identify the proper steps to be taken during the session
- Know how emotions and certain actions can negatively impact the effects of the session
- Recognize the importance of setting goals and the method used to set them
- Uncover the best techniques for following up with the employee after the session

Handling a Difificult Customer Training

"When policies, procedures, programs and products become more important than people, we have problems" – Dave Curry

Customer service is a necessary position in the job world today. It helps companies give customers what they want and what they need. Although many customers can be difficult, with the right training, skills, and knowledge, any difficult customer can be handled properly and effectively. With a positive attitude, your employee can effectively deal with the most difficult customers and both parties can end the conversation satisfied.

With <u>The Handing A Challenging Customer</u>, your participants will learn how engaging customers properly can benefit both the employee and customer. Effective customer service can change a company's reputation for the better. Through this workshop, your participants will gain a new perspective on how to react to negative customers and leave the customer satisfied and as a returning customer.

- Cultivate a positive attitude
- Manage internal and external stress
- Develop abilities to listen actively and empathize
- Build a rapport with customers in person and over the phone
- Understand the diverse challenges posed by customers
- Develop strategies to adapt to challenging circumstances

Teamwork & Team Building Training

Together we achieve more

For most of us, teamwork is a part of everyday life. Whether it's at home, in the community, or at work, we are often expected to be a functional part of a performing team. Having a strong team will benefit any organization and will lead to more successes than not.

The <u>Teamwork And Team Building</u> training will encourage participants to explore the different aspects of a team, as well as ways that they can become a top-notch team performer. Your participants will be given the details and concepts of what makes up a team, and what factors into being a successful team and team member.

Objectives:

- Describe the concept of a team, and its factors for success
- Explain the four phases of the Tuckman team development model and define their characteristics
- List the three types of teams
- Describe actions to take as a leader and as a follower for each of the four phases (Forming, Storming, Norming and Performing)
- Discuss the uses, benefits and disadvantages of various team-building activities
- Describe several team-building activities that you can use, and in what settings
- Follow strategies for setting and leading team meetings
- Detail problem-solving strategies using the Six Thinking Hats model -- and one consensus-building approach to solving team problems
- List actions to do -- and those to avoid -- when encouraging teamwork
