Trucked Out Horses???

We use this stuff for all horses being trailer/trucked. Give a 4oz bottle before loading and you will be golden. Also I noticed that if we use Enema Oil before trucking to the horse sales, they always eat and drink water. Makes for much more calm, relaxed horses. Definitely worth the added cost!

Colic???

CellAide Enema Oil for my Belgian stallion that was down with colic. He had a lot of discomfort and was down and rolling around. We gave him 8oz CellAide Enema Oil in the rectum. Within 15 minutes he began passing excessive amounts of gas and after 30 minutes he had a bowel movement. Within 45 minutes he was running around and you wouldn't have known, there was anything wrong with him before. Arthur IL

CELLAIDE® ENEMA OIL *to the rescue...*

CellAide Enema Oil. A proprietary blend of all natural Ingredients that aids in the effective reduction of inflammation due to fatigue, soft tissue swelling, stress, and colic.

100% NATURAL

A simple dose directly in the rectum will penetrate quickly to deliver the healing properties with no stress to the animals. This effective delivery of nutrients occurs due the absorption capability and nerve centers located in the hind gut.
