Stallion Service Auction Regulations

Stallion Owner's Obligation

1. The sale of a service fee entitles the mare owner to a service fee for the season of 2023.
2. If the stallion owner sells the stallion before fulfilling the obligations to the mare owner, the stallion owner is responsible for paying the mare owner back the stud fee, with the exception if the obligation transfers to the stallion's new owner with the mare owner's agreement. This should be taken into consideration before selling the service and before selling the stallion.
3. Stallion owner's obligation is fulfilled when the mare is checked "in foal" by veterinarian at the mare owner's expense.
4. Stallion owner is not responsible in case of stallion's death or infertility to fulfill obligation.
5. If selling a service fee, mare care rates and current stud fee must be stated.
6. The sale of the service fee is a donation by the stallion owner to the IHHA.

Mare Owner's Obligation

1. The mare owner is required to pay the mare care rates or semen shipping fees as stated by the stallion owner.
2. The mare owner is responsible for paying the full bid price to the IHHA.

North American Haflinger & Draft Pony Futurity

Objective: The North American Haflinger and Draft Pony Futurity is intended to encourage breeding programs throughout the Haflinger and Draft Pony industry to produce colts of exceptional utility and provide additional marketing avenues for the colts from these programs.

Plan: The Futurity will promote the sale of quality yearlings annually at the Indiana Haflinger and Draft Pony Sale. Purchasers of the Futurity eligible colts will have the option to bring the colt purchased at the Futurity sale back to the Indiana Haflinger and Draft Pony Sale as three-year olds to compete in halter, obstacle, and cart rail classes.

The Concept: Breeders or owners of mare at time of foaling will nominate and sell their registered yearlings with 50 percent of the selling price going to the consignor, 40 percent going into the futurity purse, 5 percent going towards a Breeders Award Program, and 5 percent going toward administrative expenses.

Rules:

- All Indiana Haflinger and Draft Pony Sale policies will apply to the cataloging and sale of the Futurity colts.
- The Futurity will be open to all registered Haflinger and Draft Pony colts (stallions, mares, and geldings) born in the calendar year prior to the sale.
- Colts consigned to the Futurity can only be consigned by the person that raised the colt (owned mare at time of foaling) and therefore is registered in his/her name.
- There will be a \$1,000 minimum bid for all colts in the Futurity sale. If no bids are received, the consignor is responsible for the purchase of the colt.
- Consignors are allowed to purchase their entry(s) in the Futurity sale.
- Horses changing ownership after the sale but prior to the Futurity retain their eligibility for the Futurity, if and only if, the Committee has been notified by the said horse's current owner prior to entry in the Futurity. All monies will go to the current owner of the entry.
- North American Haflinger and Draft Pony Colt Futurity Committee Members and the Indiana Haflinger and Draft Pony Sale Committee reserve the right to refuse any entry not fit or ready for the sale or the Futurity, without redemption of entry fees.
- All Futurity consignments must be consigned prior to printing of sale catalog.
- All horses must have a negative Coggins test prior to the sale and the Futurity.
- All horses returning for the Futurity are eligible to consign in the Indiana Haflinger and Draft Pony Sale, but are not obligated to do so.

North American Haflinger & Draft Pony Futurity

Consignor Fee: There will be a \$50 consignment fee for all colts entering the Futurity sale. This consignment fee will be retained by the Indiana Haflinger and Draft Pony Sale to offset costs, such as the facility, auctioneers, advertising, publishing results, and any other sale costs that may occur as well as the extra time and work involved in hosting the Futurity. This fee is due when the horse is consigned.

Purchaser Fee: There will be a \$50 entry fee for those colts returning as three year-olds for competition in the Futurity. This will go towards cost of stalling, programs, and awards.

Rights Reserved by the Indiana Haflinger and Draft Pony Colt Futurity Committee:

1. The Committee reserves the right to reject any entry not believed to match the sale entry.
2. The Sale Committee reserves the right to inspect all horses and match them to their registration papers. If the Futurity Committee feels the entry does not match the colt sold two years previously, they reserve the right to do a DNA test at the owner's expense to confirm a match.
3. The Committee reserves the right to decide any point not covered by the rules to correct any errors or make alterations as it sees fit.
4. The Committee reserves the right to change dates and locations of the Indiana Haflinger and Draft Pony Futurity.

This could be your next herd sire!! Definitely one to check out if you're looking for a stallion! Again, selling out is the only reason he's for sale. This is probably the best colt I've ever raised. First place Hoosier Sire as a yearling. Never placed lower than 3rd in halter classes. Will be shown in North American Haflinger & Draft Pony Futurity. Call or text with questions 574-767-0777.

This could be your next herd sire or a great hitch gelding! Has a full brother in the Flory hitch that broke super easy and was great to be around. This colt is turning out to be the same way. His dam was originally from Second Star Haflingers and has raised some great foals. Second place as a yearling in Hoosier Sire and has done well in halter classes. Will be in 3-year-old North American Haflinger & Draft Pony Futurity. Call or text with questions 574-767-0777.
