A Note From Rick: Markets were steady this week at TLA. There are no significant changes to report, other than numbers were down a little in all categories. This is not a surprise as we enter the summer months. Typically, the volume of trade is slower during the summer months & that is just another factor that will continue to support these very strong prices we're having. We are gearing up for the Seymour Draft Horse sale this weekend! We have a great lineup of draft horses to offer. Have a great week & we hope to see you soon at TLA!
