**A Note From Rick:** Another great week for markets at TLA. From start to finish on Tuesday, markets were higher, which doesn't happen very often. The one market that surprised us a little was the hay market. Hay prices have struggled this year, but Tuesday was a stronger market than we've had in a long time. Thursday, we had the Special Springer Sale & prices were higher. Our numbers were down a little & that helped spark a very strong sale. It's difficult at times to make the mental adjustment into this new set of prices we're dealing with. We've had them for a little while now, & you still have to think twice most of the time to comprehend these numbers. The weather finally seems to be turning the corner, so enjoy your week & we'll see you at TLA!!
