A Note From Rick: Markets continued to climb at TLA this week. On Tuesday, we saw butcher cow prices bounce back after last week's drop; we also saw calf prices creep higher, again. Dairy cattle & feeders had a very light test. On Thursday, we had the Special Springer Sale for May. Prices increased \$300 to \$500/head compared to last month. This wasn't a surprise as prices across the country have reflected this same thing over the last few weeks. Stronger beef prices, stronger calf prices, stronger milk prices & a limited supply of dairy heifers have all added up to higher priced springers & fresh cows. Looks to me like this will continue with all those things behind it. Have a great week & enjoy the beautiful weather! We look forward to seeing you soon at TLA!!
