A Note From Rick: Markets were hot this week at TLA, just like the weather! Across the board, prices were higher. Butcher cows and calves were both stronger, which has been the trend over the last few weeks. They haven't had big gains, but each week they've been a little higher. We didn't have a big test for the feeders, but what we did have was stronger. The feeders will get a good test next Tuesday at our Special Feeder Sale. Thursday's Springer Sale had higher prices as well. We had a nice group of heifers consisting of several consignments that sold for record high prices here at TLA. Have a great week and we hope to see you soon!!
