A Note From Rick: Markets were a little softer in spots this week at TLA. We had our Special Feeder Sale for June this week and we had a wide variety of cattle offered. Prices were not quite as strong as last month, but were still very good in my opinion. The baby calf market was weaker as well. This market has shown a little more up and down over the last several weeks. Slight ups and downs are very common, we just haven't seen them much this year. It does lead me to believe that we may have put the highs in on baby calves, but I don't anticipate prices falling very far in the short term. Have a great week and we hope to see you soon at TLA!
