A Note From Rick: Another strong week for markets on Tuesday at TLA. I'm starting to feel like a broken record. All of our markets were steady to stronger and that's been the case for quite some time now. Next week we'll get a good test of the Dairy cattle market at the June Springer Sale. We will also have the Seymour Sale to test the Draft Horse market. I anticipate both markets to follow this same pattern and be very good. It's hard to believe that it is already June. We have definitely had a great start to 2025 in the auction ring and look forward to finishing out the Spring Sale season with a bang next week. Hope to see you soon at TLA!
