A Note From Rick: Strong markets continued across the board at TLA this week. We had our Special Feeder Sale this week & there was a nice selection of different sizes in the Holstein heifer department. Prices were similar to the last couple of months except for the 300lb – 400lb heifers, which were considerably stronger. The other highlight for me on Tuesday was the butcher cow market. This market has steadily been getting higher & higher for quite some time now, without dropping in price. Summer is officially here!! Stay cool & stay safe. Looking forward to seeing you soon at TLA!!
