A Note From Rick: Markets continued on a stronger trend this week at TLA. Tuesday, we had the April Special Feeder Sale & we had a big selection of Holstein heifers along with several groups of Holstein steers. We haven't had a run like this to really test this market since the recent jump in beef prices. The cattle markets have been on a steady roll in 2026 & prices on Tuesday were no exception. Record high prices for light weights to heavy weights, both steers & heifers. This was no surprise to anyone, and it looks to continue on for the near future. Have a great week & we hope to see you soon at TLA!!
