A Note From Rick: Another busy week at TLA. Markets on Tuesday were steady to slightly weaker. Butcher cows were a couple dollars lower, while fat cattle were steady. The calf market was steady to slightly stronger after last week's slide in prices. Thursday's Special Springer Sale was a big test for the dairy cattle market. Prices were stronger compared to the October sale & very comparable to the September market. We had a big run & the market was strong from top to bottom. We hosted the 1st Annual Standardbred Stallion Spotlight event on Friday & Saturday, & we had a huge crowd filled with lots of excitement for the Standardbred breed. Thanks to everyone that came out to show their interest & appreciation in the tremendous lineup of Standardbred stallions on display. Have a great week & happy hunting! Hoping I get my deer in the woods & not in the road...
