A Note From Rick: Markets leveled off this week at TLA. I did think the Dairy Cattle (Springers & Fresh Cows) were stronger this week. We'll get a good test of this market next week at the Special Springer Sale. The calf market was steady compared to a week ago. This market has been consistently on the rise for several weeks, but didn't gain anything this week. The butcher cow market was \$3-\$8 weaker. This market has been on a tear as well, with this week's drop in price being the first in a long time. We had a great Northern Indiana Riding Horse Sale and Friesian Spring Edition weekend and are looking forward to next week's Draft Horse Sale! See you soon at TLA!
