**A Note From Rick:** Mixed markets at TLA this week. Butcher cow prices made a correction this week after record high prices over the last several weeks. This isn't a big surprise; it was bound to happen sooner or later. The calf market showed no sign of backing up. Prices were stronger than ever, despite the extreme heat. We are preparing for our TLA Classic Show coming up in July. It should be an exciting time! Have a great week & we look forward to seeing you soon at TLA!!
