A Note From Rick: Markets were steady at TLA this week. There was no sign of weakness in any of our markets and in most cases, there was more strength. We had a nice selection of various feeders to offer and they sold very well. Demand is very strong and supply is somewhat limited. That seems to be the case in all of our livestock markets. As we continue to set record highs over the last couple months in all of our markets, they just continue to get stronger. In conversations with many producers these prices are unbelievable. Who would have ever thought we'd see numbers like this? There sure isn't any sign of slowing down in the near future, but we all questions just how long it will last. Have a great week and we hope to see you soon at TLA!!
