A Note From Rick: Markets were steady to stronger this week at TLA. Butcher cows & calves were both a little stronger again this week. This has definitely been a pattern & prices are as high as ever. The hay market was a little stronger this week as well. Prices were \$20 to \$30 higher despite another big run of loads to offer. This seems to be the trend all over. There's a big supply of hay out there, but demand was definitely better this week. We're looking forward to the Spring Draft Horse Sale next week. Have a great week & we hope to see you all soon at TLA!!
