A Note From Rick: Another good week for markets at TLA. On Tuesday, we had steady to stronger markets across the board. Calves were a touch higher & butcher cows bounced back stronger after last week's weakness. Feeders were untested for the most part, but we will get a good test on the 24th at the Special Feeder Sale. Thursday, we had the March Special Springer Sale. Prices were stronger than last month (which was very strong). Although the top 10 heifers weren't as high, the other 170+ were much more consistent and the overall average was higher. I look for this to continue. With the current calf & butcher cow prices, there's room for dairy cattle prices to get stronger, in my opinion. Have a great week & we will see you soon at TLA!!
