**A Note From Rick:** Markets continue the upward trend this week at TLA. Tuesday, we saw calf prices climb higher again. The biggest jump was in the Holstein bull calves. Butcher cows & fat cattle were steady while the feeder cattle market was scarcely tested. The hay market was very active with the milder weather & prices remain strong. Thursday, we had a good run of Springers & prices were stronger compared to the last couple of months. This didn't come as a surprise, as this seems to be the case across the country due to higher calf & slaughter prices. Have a great week & enjoy the beautiful weather. We will see you soon at TLA!!
