**A Note From Rick:** Markets were mixed this week at TLA. On Tuesday, the calf market was softer. Butcher cows were very strong again this week, slightly higher than last week. The Special Springer Sale on Thursday was not quite as strong as last month, but very comparable to the April and May sales. Overall, I think we're seeing some slight corrections in markets that have been going up and up and up. It is nothing to be alarmed by, in my opinion. Have a great week and enjoy this beautiful summer weather!!
