**A Note From Rick:** Markets continued to climb on Tuesday at TLA. We had a mild week of weather that seemed to give us all a bit of Spring Fever, even though we all know it's probably a little early for that. Prices on Tuesday warmed right up as well. Calves & butcher cows were both stronger again. Prices are as strong as ever & don't show any signs of backing off with the limited supply that's offered. We had our Special Feeder Sale for February this week & again, the supply was limited. The feeders we did have to offer sold very, very well; much stronger than the last few months & I look for that to continue as we come into Spring, which is usually a very good market for feeders of all kinds. Have a great week & we hope to see you soon at TLA!!
