**A Note From Rick:** Seems like somebody upset Old Man Winter! We are definitely getting a steady dose of weather that we haven't seen in the last couple of years. It brings about challenges in the livestock industry for sure. With that said, our markets this week were a little lighter on numbers. Prices were steady for the most part. We didn't have a lot of feeders to truly test that market, in my opinion. Have a great week & we hope to see you soon at TLA!!
