A Note from Rick: Market was steady to stronger at TLA this week. We had a big run of Butcher Cows that continued their market strength, with a lot of cows in the high 70's and low 80's. This week was our Special Feeder Sale and our numbers were a little light. Probably not a big surprise for January, but never the less there are not as many young cattle around. Prices were steady the last couple of months. Calf prices were a little stronger with a few select calves bringing a big premium for 4H. It's going to feel great getting back into the Horse Arena after not having a horse sale these last couple of weeks. There will be a Benefit Stallion Presentation the Friday of the J&S Pony Auction. What a better way to kick off the new year supporting a cause and being entertained at the same time? We encourage you to come out and have some fun! We hope to see you soon at TLA!
