A Note from Rick: Markets at TLA showed very little change to start the New Year and there was very little change from last week, across the board. The staff at TLA would like to thank all of our customers for the opportunity to be a part of their business in 2023; from our consignors trusting us to market their livestock, to the buyers providing a fair market for consignors to take advantage of. We take this opportunity to market and sell very seriously. The staff at TLA is truly second to none! From the office to the barn, we have a great team! The willingness of the team to provide the best service possible for our customers is something that I'm very proud of. All of you (consignors, buyers, spectators, and staff) make TLA the great place that it is! This allows us to run the business smoothly and have a little fun while doing it! We hope your year is full of many blessings and success! 2024 is going to be an exciting year and we hope to see you soon at TLA!!
