A Note from Rick: Markets were steady to stronger throughout the day on Tuesday. The hay market was a little more active last week. Hay prices remain very strong & last week was no exception. We've had poor road conditions for the last several Tuesdays, and I felt like that affected our consignments for sure. We definitely had more hay to offer this week and prices were as strong as ever. Springers and fresh cows sold very well this past week. Prices were higher and I look forward to seeing what this week's Special Springer Sale will bring. Bull calves were higher this week as well. The beef market seems to be bouncing back strong after a slide in prices late in 2023. It is starting to feel more like Spring, both outside and in the office. We're finishing up the Spring Draft Sale catalog and we're very excited about the lineup that we have to offer! See you soon at TLA!!
